Get ready for some summer fun!

Our themed summer camps are sure to entertain as well as educate our students.

Heart Prints also recognizes the importance of active play in the lives of young children. We are committed to scheduling time for children to exercise both their minds and bodies. Every day during our summer camps, children will spend quality time exercising on our playground or exploring in our outdoor nature center. If the weather is inclement, our school is equipped for active indoor play.

CAMP SCHEDULE

June 5 - 9

Nature Adventure

Come explore the great outdoors with us. Children will be taking trips to the forest, the large pond, and the field. Wear your rain boots and wear old clothes because we will be getting in the creek and learning about the wonders of nature.

June 12 - 16

Spanish Camp/Beach Party

This camp is an excellent way to expose children to a different culture and practice the Spanish Language. Our favorite Spanish teacher Maestra Beltran will lead us through this exploration of Mexican language, life and culture. Since there are so many beautiful beaches in Mexico we carry a beach theme through this excited week. Our week will be capped off with a piñata, of course!

June 19 - 23

Music Camp

Children who love to sing, dance, and create music will love this camp. Mrs. Keys, a concert musician, will be teaching about pitch, rhythm, beats, and tone. Young musicians will be creating their own musical to present at the end of the week which families will be invited to watch!

June 26 - June 30

Space Camp

Future astronomers and astronauts will enjoy exploring the world of outer space. We'll study the planets in our solar system and learn about vehicles that fly into space. We'll pay particular attention to our own moon and the changes we see at night. Children's imaginations will be sparked by materials from the Smithsonian Air and Space Museum.

July 5 - 7

Water Camp (Three Day Camp) Camp Fee \$135.00

This camp is for those who are not afraid to have fun and get wet! We will be learning about the water cycle, bodies of water, doing experiments with water, and of course playing in the sprinkler outside. We will put our STEAM brains to use by creating large water sculptures with various PVC pipes and tubes. Wear your bathing suits each day so you can have fun in the sun!

July 10 - 14 Heart Print's Closed

July 17 - 21

Chemistry Creations

All budding scientists will enjoy this week as we create one crazy concoction after another. Each day we will conduct experiments that focus on every day chemistry. The messier the better in this camp!

July 24 - 28

Unusual Animals

Back by popular demand! Children will delight in learning about some unique animals from around the world. Some are cute and furry and some are not so cute! Children will be amazed at the adaptations these animals make, how they move, and learn about the parts of the world where they can be found.

July 31 - August 4

Under the Sea

What really lives in the sea? Sharks, octopus, fish, mermaids, the list goes on and on. Children will learn about living and non-living things found below the surface of the water. Children will also get to take a closer look at artifacts from the Carnegie Museum of Natural History.

August 7 - 11

Butterfly Camp

One of the summer's favorite camps! This will be our fourth summer raising and exploring the monarch butterflies from our certified wildlife garden. Children (hopefully) will experience the wonders of metamorphosis right in their classroom. We will do some monarch math, writing silly monarch tales, and just enjoy these fabulous creatures. We will also bust out our magnifying glasses and learn how to find monarch eggs hiding in our garden.

August 8-10 Kindergarten Readiness Camp (Three Day Camp) Camp Fee \$135

This camp is the perfect way to prepare for the upcoming school year. Students who are 4 1/2 - 6 years of age are welcome to join in on the learning. Children will be reading beginner books, practicing phonics, and tuning their math skills that align with the PA Common Core Standards. Let's get our brains back into school mode. Teacher will plan activities to meet a variety of learning styles and levels.

Heart Prints' Summer Camp Overview

Ages:

- Registration in our preschool camps is open to children 3 - 5 years old, including children who have just completed kindergarten.
- Registration in our early elementary camps is open to children 5 ½ - 8 years old, including children who have just completed third grade.
- Depending on the number of preschool and elementary children that have enrolled, summer camp may be in one shared room or two separate rooms. Children of all ages will have shared play, snack, and music & movement times. Preschool and Elementary age children will have different small group activities and learning experiences geared towards their age.

Time: 9:00AM -1:00PM

Food: Drinks and snacks will be provided by Heart Prints. Please indicate any food allergies on your child's summer camp registration form. Children bring a packed lunch from home. Heart Prints is a **peanut and tree nut-free environment**.

Registration Fee: Families may register for one or more camps. A one-time nonrefundable registration fee of \$30.00 per child is required for non-HeartPrints' families. {The registration fee is waived for children who attended HeartPrints' Preschool or Kindergarten during the 2015/2016 school year.}

Cost: **Camp is \$170.00 per week/per child.** No sibling discounts apply.

A nonrefundable deposit of **\$25.00 per child/per camp is required at the time of registration** and guarantees their space in that week. This \$25.00 deposit will be subtracted from the cost of camp: \$170.00. **The balance, \$145.00, must be paid on the first day of each camp week.**

- If you register your child for 4 weeks of camp, you will receive a 5th week of camp at \$75.00.
- If you register for 8 weeks of camp, you will receive a 9th week free of charge. You must register for all camps at the same time. All camps must be for the same child.
- If your child cannot attend a camp in which they have been registered, we will try to switch your camp week only if space is available.
