

March, April & May Club Registration

2017-2018 Afternoon Clubs

Afternoon STEAM Club Programming. This year HeartPrints will offer 5 afternoons of club programming. The foundation of our club curriculum is **STEAM education**. STEAM is an acronym that refers to education-related programs in the disciplines of science, technology, engineering, arts and mathematics. STEAM education indicates integration of at least two of the STEAM disciplines within a curricular activity. Our club curriculum is designed to support and enhance young children's learning through quality activities that expose children to new concepts/ideas and encourage children to use their developing skills in a variety of creative ways. Programs are open to preschool and kindergarten children.

We are offering Clubs Monday-Friday afternoons from 1:00-4:00PM
*****Please Note school closings on the calendar*****

Step one: Look at the attached calendar. Choose clubs that work for your child.
Write child's name in the days he/she will attend on the calendar.

Step two: Calculate your costs per clubs and/or lunches and fill in the attached registration form along with your payment.

Step three: **Turn in the completed calendar, monthly registration form and payment** into a classroom drop box.

Each Club meets one day per week. Each Class is \$30.00 per day/class with the option to include lunch for an addition \$10.00 fee per day/class.

The registration for Spring Clubs is due Thursday, Feb 15th

If you plan to register your child month by month, please turn in your form by the 15th of each month prior so we can schedule teachers and purchase materials appropriately

Cancelation Policy:

Classes are subject to a minimum and maximum enrollment. In the event of our cancellation, HeartPrints will attempt to notify you in advance and offer you another club selection. Missed classes **will not** be refunded or credited. No changes can occur unless approved by Grace or Julie.

****Please choose your child's clubs carefully as staffing levels need to be in place for each club.****

March, April & May Club Topics:

Monday – Gardening Club

Join us on Mondays for Gardening club. In March we will **build a planter** for our playground and begin planting some early crops in our garden. In April we will peruse gardening catalogs to choose the best plants for our garden, we will examine seeds under the microscope and **begin some seeds indoors**. And in May we will **turn over the soil in our garden, search for worms and plant!**

Tuesday – Chemistry Club

In March we will focus on **Famous Scientists and Inventors**. We are going to make telephones, circuits, experiment with speed, and create flying objects while learning about the scientists who were credited for those inventions. Our young scientists will also be creating their own inventions.

April Showers bring May Flowers! Let's learn about the science in nature. We will be experimenting with water, seeds, colors and wind.

Come explore your **five senses**. We will be re-creating experiments that focus on seeing, hearing, touching, tasting, and smelling. **Which sense is most important to you?**

Wednesday – Explorers Club

In March we will set out to explore the deserts of the world. We will create **sand art** and learn about the flora and fauna of some of the **driest places on earth**.

5-4-3-2-1 Blast off! In April we will leave Earth to explore **Outer Space**. We will learn about what it takes to be an astronaut, by **testing out astronaut food**, as we explore the planets, stars and sun.

Mayyyy we go into the **forest**? In May, we will spend as much time in the woods as weather permits. We are going to **compare our Heart Prints Forest to Rainforests around the world**.

Thursday – Creative Arts Club

In March, four countries will be explored. We will experience **songs in native languages, games, dances**, and of course, **ethnic food**.

In April, with the arrival of spring, we will explore a potpourri of various elements and **styles of artistic expression**.

We will revisit the basic elements of music, **pitch and rhythm**. The children will experiment and **create melodic and rhythmic patterns** that they can play individually and as a group. We will learn how to notate and perform each composition.

Friday – Cooking & Math Club

The children will continue to make treats for our friends at Meals on Wheels.

In March we will focus on **healthy food choices**. We will read books like "Eating the Alphabet" and "Growing Vegetable Soup." We will also **sample some great fruits and vegetables**.

April Club children will have fun with math and cooking. We will use **pretzel dough** to create letters and numbers. We will also listen to the story "Who Stole the Cookie from the Cookie Jar" and work on **cookie math equations**.

May will start with learning some fun **Spanish words** for the foods that we each and end with the story "Froggy Bakes a Cake." We will have a **pretend birthday party** for all the children in Friday Club, to end our year!

Afternoon Club Monthly Registration Form – Spring Club Session

I have registered **(Name of Student)** _____ for the following club days.

____ X 30.00 = _____ Number of Clubs (\$30.00 per day/club)

____ X 10.00 = _____ Number of Lunches (\$10.00 per day/lunch)

_____ TOTAL DUE

Please turn in this form, the completed calendar, and your payment by Thursday, February 15th. If you would like to register 1 month at a time, please turn in your form by the 15th of the month before so staff and materials can be planned accordingly.
