CAMP SCHEDULE

June 4 – 8

S.T.E.A.M. Fairytale Camp

Children will re-create Classic Fairytales through S.T.E.A.M. activities. We will incorporate Science, Technology, Engineering, Art and Math into this literacy-rich camp. For example, after reading “The Three Billy Goats Gruff” children will be given the challenge of making their own bridges. We will research the parts of bridges and use our findings to make our bridges extra strong. Children will also have fun learning about dragons, unicorns, and mythical creatures as we encourage creative writing!

June 11-15

Slime Time! Camp

All budding scientists will enjoy this week as we create one crazy concoction after the other. Children will have fun with some edible experiments as well as creating art through science. This week is sure to be messy so please don't wear your nicest outfit!

June 18 - 22

Dancing Dinosaurs Camp

This is a week full of imagination and creative movement. From big dinosaurs with gnashing teeth to the tiniest of baby dinosaurs, we will take a step back in time to explore the Jurassic Period. Mrs. Francis, who is also a dance teacher, will get the children moving throughout the week! This camp is great for both those who crave the spotlight and who like to dance when no one is watching!

June 25 - 29

Picasso Camp

This week's camp will explore a range of artists and illustrators. Children will model the same artist techniques to create masterpieces of their own. Make sure you wear old clothes to this camp because there will definitely be some splatter paint fun. Children will get to take home some frame-worthy pieces of art at the end of the week!

July 2, 3, 5 & 6

Water Camp (\$140 4-Day Camp)

Children will have fun creating water sculptures with PVC pipes, playing in themed water centers and running through sprinklers this week! We will also focus on the water cycle, different bodies of water and the importance of water and keeping it clean for our future. *(Please bring your child to camp in a bathing suit with a towel and sunscreen already applied. Leave a change of clothes for after water play.)* *There is no camp on the 4th of July.*

July 9 - 13

Space Rocks! Camp

This week we will explore rocks of all ages and spaces. From volcanoes to meteors showers and geodes to precious gems, we will have lots of investigating to do this week. Children will enjoy our great collection of space materials and look at rocks and gems from the Carnegie Museum of Natural History. We will also try our hand at panning in our creek and shifting sand from our playground.

July 16 - 20

Farm-to-Table Gardening Camp

With dirt in our hands, we will learn what makes a prosperous garden. We will find worms, feed and water our garden, prune the plants and use items from our garden to create food. Children will have the experience of making homemade marinara sauce and pickling their own cucumbers. We will also enjoy creating tiny chairs, ladders, and more for our Heart Prints Small World in the forest.

July 23 - 27

Butterfly Camp

One of our favorite summer camps is back! This will be our third summer raising and exploring the monarch butterflies from our certified wildlife garden. Children, nature-willing, will experience the wonders of metamorphosis right in their classroom. We will do some monarch math, writing silly monarch tales, and just enjoy these fabulous creatures. Using tablets, each child will be a part of creating stop-motion videos inspired by our winged-friends.

Heart Prints' Summer Camp Overview

Ages:

- Registration in our preschool camps is open to children 3 - 5 years old, including children who have just completed kindergarten.
- Registration in our early elementary camps is open to children 5 ½ - 8 years old, including children who have just completed third grade.
- Depending on the number of preschool and elementary children that have enrolled, summer camp may be in one shared room or two separate rooms. Children of all ages will have shared play, snack, and music & movement times. Preschool and Elementary age children will have different small group activities and learning experiences designed for their age-group.

Time: 9:00AM -1:00PM

Food: Drinks and snacks will be provided by Heart Prints. Please indicate any food allergies on your child's summer camp registration form. Children bring a packed lunch from home. **Heart Prints is a peanut and tree nut-free school.**

Sunscreen: Please apply sunscreen to your child each morning before attending camp. If you would like for us to reapply sunscreen mid-morning, please leave sunscreen at Heart Prints with your child's name on it and sign the permission slip provided at Heart Prints.

Emergency Contact: Please turn in the attached Emergency Contact form by the first day of camp. ALL sections must be complete. Students who attended Heart Prints for the 2017-2018 School Year do not need to turn in a new form.

Registration Fee: Families may register for one or more camps. A one-time nonrefundable registration fee of \$30.00 per child is required for non-HeartPrints' families. {The registration fee is waived for children who attended HeartPrints' Preschool or Kindergarten during the 2017-2018 school year.}

Cost: **Camp is \$170.00 per week/per child.** No sibling discounts apply.

A nonrefundable deposit of **\$25.00 per child/per camp is required at the time of registration** and guarantees their space in that week. This \$25.00 deposit will be subtracted from the cost of camp: \$170.00. **The balance, \$145.00, must be paid on the first day of each camp week.**

- If you register for all 8 weeks of camp, you will receive \$100 off of your last camp. *All camps must be for the same child.*
- If your child cannot attend a camp in which they have been registered, we will try to switch your camp week only if space is available. The first change in your camp schedule will be made free of charge. There will be a \$5.00 charge/per schedule change after the first requested change.
- Registration fees are non-refundable.
